WHY YOU NEED SANIBAND™

In an uncertain world full of germs and viruses, who doesn't need a little extra protection? SaniBand™ protects you in those sticky situations while on-the-go. Never worry about grabbing that icky shopping cart or opening a grimey door handle again. Simply wear, squeeze, and rub. Boom.

MEDICAL-GRADE SILICONE

Germ-free and hypoallergenic material makes it safe and comfortable to wear all day long.

REFILLABLE & WASHABLE

Refill with your own personal sanitizer and wash with ease. Built to last.

BUILT WITH CARE

Each SaniBand™ is manufactured in our facility and checked to ensure the highest quality.

LEAK-PROOF DESIGN

Sleek design with sealable caps to keep sanitizer from leaking out while you're on-the-go.

EASY TO USE

Simply squeeze and rub after touching public surfaces like door handles, checkout pins, and more.

LIGHTWEIGHT COMFORT

So light you will barely feel it's on your wrist. Won't interfere with any activity throughout the day.

ABOUT SANIBAND™

SaniBand™ was created to be the **first wearable sanitation** device.

These days, it isn't enough to depend on public hand sanitizer dispensers for on-the-go protection. Most hand sanitizer dispensers are touched by hundreds of other people per day, leaving behind a filmy residue of germs and viruses.

AND WHAT'S WORSE? MANY PUBLIC HAND SANITIZER DISPENSERS ARE COMPLETELY EMPTY!

WHO NEEDS SANIBAND™ IN THEIR LIFE?

SaniBand™ was created for the protection of those who need it most:

- ✓ Teachers
- ✓ Nurses
- ✓ Waiters
- ✓ Bartenders
- ✓ Retail Workers
- ✓ Commuters
- ✓ And Many More!

ONE VERSATILE STRAP, MANY SIZES

Each SaniBand™ comes with a comfortable, adjustable strap that can fit any size wrist. Perfect for children, teenagers, and adults.

FREQUENTLY ASKED QUESTIONS

We've compiled a list of the most frequently asked questions to guide you in your decision making process. Read on below...

★ Who Is SaniBand™ Perfect For?

The short answer: **just about anyone!** SaniBand™ was made for those who need immediate on-the-go sanitation. SaniBand™ is perfect for most teachers, nurses, waiters, bartenders, etc. – anyone who can't easily walk away from their jobs to wash or sanitize their hands. It even fits children.

★ Is It Really Leak Proof?

Yes! In fact, SaniBand™ was made purposely with a leakproof experience in mind. No one wants to deal with messy hands.

★ Will I Receive A Tracking Number?

Upon the product leaving our warehouse, you will receive a tracking number via email. This link will allow you to track your SaniBand™ from our warehouse to your doorstep.

★ Is The Material SaniBand™ Made Out Of Safe?

SaniBand™ is made of Medical-Grade Silicone, meaning it is hypoallergenic, toxin-free, and resistant to most viruses and bacteria. If it's safe enough for hospitals, it's definitely safe enough for you and your loved ones.

★ Do You Ship Internationally?

You betcha! We ship across the globe and will have your order at your door **within 7 days**. If not, you'll receive a 100% refund - no questions asked.

★ How Long Does U.S. Shipping Take?

Orders typically leave our warehouse the same day you place your order. That means you should expect your delivery within **3 - 5 working days**.

★ Can I Buy SaniBand™ In A Retail Store?

Fortunately (and unfortunately), no. It's fortunate because you won't have to risk your health just to get one from a store. But you can safely order online and receive it within 3-5 business days.

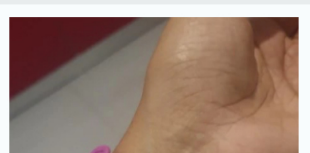

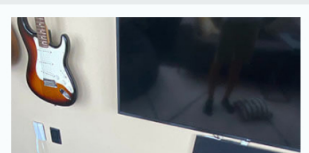

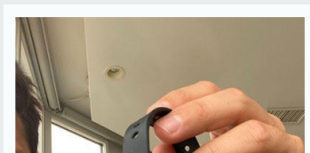

★ Can I Change Or Cancel My Order?

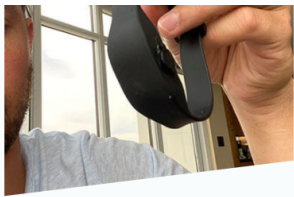

Of course. We understand circumstances change. Just send an email to support@getsaniband.com.

★ How Long Does It Take To Process A Refund?

We work with some of the best banks in the world, so refunds typically show up on your bank statement within 3 - 7 business days.
